

Your EBT needs to be calibrated annually.

Let **TMHC**TM help.
SERVICES, INC.

Calibration - Annual Service

TMHC Services, Inc.'s certified trainer/calibration technician will come to your facility to calibrate your evidential breath testing (EBT) device for you and document the calibration for your records. TMHC Services provides the necessary equipment and supplies to perform the calibration.

Or send your EBT to us. We'll calibrate it and return it to you (allow 7 days).

Calibration (shipped to TMHCS)

\$200

Calibration (on site)

\$200 + .55¢ per mile
